

The H1N1 Influenza Vaccine is now available

These H1N1 vaccination clinics for November are for those who fit the following CDC's "high risk" groups:

- Children aged 6 months through 5 years
- Children and young adults aged 5 years through 18 years with under-lying health conditions
- People who live with or care for children younger than 6 months of age
- Pregnant Women
- Health care and emergency medical services workers

Schedule an appointment online for ANY of these locations!

Visit www.greatersomerset1n1.org or call the Greater Somerset 'H1N1 Shotline' at 908-533-9330. All clinics are free and open to those in the above groups who have made an appointment.

Additional dates will be added as vaccine is received;

Dates are tentative, and based on vaccine availability; All clinic times are 4:00 pm - 7:00 pm, unless otherwise noted. Please wear short sleeves!
